Dear mom & Dad,

We had a good time in h.y. Victie came up Friday night and we are at a little French restaurant near the theatre district. inantal browall to bequeta ew which is very conveniently located rear the seibney and theatres. or beniev ti gainer pobruted we bought umbrellas which were on sale at mary's. The rain soon ended, however, and the weekend was cloudy and cool. We walked up Fifth are looking at the stores. Victie brought a few clother for fall, but she has decided not to mortgage her payetech to get a mink coat.

Saturday night he saw "The Wiz" which is a musical with an all-black cost and exceptionally good. Afterward we went brack to an French restaurant where it was very crowded with the tables quite close together. At the rest table there was a young couple and the boy was trying to talk the pirl into moving in with him. It was quite impossible not to listen and a inadvertently smiled at the girl who got rather emborarsed. We chatted with them and got some restaurant recommendations.

Sunday morning we visited the museum of modern ack and in the afternoon row "alice adams." Which is a morie made in 1935 atoming katherine Hepburn. That night her went to a club in the which village and listened to a rock dup - quite a lang day!

though Central Park and rowed through Central Park and rowed on a small lake. It play "Theore" - a murical about a so's high school. We pot out at 5 PM and were back in washington at 7 PM after a quech taxi ride and the air shuttle. It rained all weekend in washington, so we were lucky on the weather.

We're looked at some nice condominiums nearly and will probably buy one although it will be april before we can more in. They are very nice and ownership is better than rental from a tax viewpoint.

fin & Vichie
